Simply Sudan

Postal Auction No 3

Closing date: Midday 15th June 2021

Dear Collector

This is my third Simply Sudan auction in goodness knows how many years! Reason for the long delay is that the SSG had a couple of large deceased members' collections to dispose of for the families and there was no point us getting in each others way, so I shelved this venture.

More recently I have closed my shop and am disposing of stock through various channels. I have been entering material in the SSG auctions and now am running a Simply Sudan as Jacke Phillips, our Auctioneer, has wrist damage and is unable to set up the usual SSG Auction. **10% of the final hammer realisation will go to SSG Funds.**

A few members without email will be sent a copy of the catalogue listing – they can view scans on the SSG website if they can or contact me for a copy to be posted. I've tried to allow enough time for this.

Please note that I include a list of the "Groups" that I have used which may help you locate your particular aspect of interest. Obviously there is some overlap between Groups – so an Airmail cover may also have a TPO mark.

Bidding

The suggested price for each lot is just that – the final realisation may be higher or lower. Bid steps are:

- 50p steps up to £10,
- £1 steps £10 to £20
- £2 steps £21 to £50
- £5 over £50

Bids must be received by mid-day on the day of the sale. Bids may be made in writing or by e-mail. Lots will be purchased for the lowest possible price allowing for other bids. I do not invent convenient underbids!

Payment

Please pay on receipt of invoice and Lots will then be despatched:

Cheque payable to Salop Stamps at the above address.

Paypal to salopstamps@gmail.com in £s using Friends and Family facility. For overseas please add 6% to cover charges. (please send separate email to me to advise).

Direct to Bank: Santander Account: 02678225. Sort Code: 09 01 50.

Many thanks and Happy Hunting.
